Giving thanks always for all things to God the Father in the name of our Lord Jesus Christ

A Time to be Thankful

As believers in the Lord Jesus Christ we are taught to be thankful all the time, regardless of our life situations. Thanksgiving Day is a wonderful time that brings family and friends together like no other. Linda and I are so thankful that the Lord has given us such a wonderful family to enjoy and to be proud of. Next to Jesus, our family and friends are by far God's biggest blessings to our lives.

Thanksgiving is believing that all past, present and future blessings are from our loving God who always has our best interests in mind. Thanksgiving comes from hearts so filled with gratitude we cannot keep quiet about God's goodness. This Thanksgiving Linda and I are thankful for the many people we have seen come to Jesus as their Savior and Lord. We thank Him for the many people we have had the privilege of praying for and ministering to. We are thankful for our precious friends who pray and financially support us as we reach out to those in need spiritually, physically, mentally and emotionally. It is such a joy to see people set free by the gospel of the Lord Jesus Christ. "Therefore by Him let us continually offer the sacrifice of praise to God, that is, the fruit of our lips, giving thanks to His name." May this Thanksgiving season see you blessed in every way, in Jesus Name!

Grateful by Linda Felis

I've been thinking and meditating on what the Bible says about King David's life. He had so many highs and lows during his life time. But no matter how much he went through he was always able to get his focus back on who his God was. Regardless of his circumstances and the overwhelming odds that were against him, even from his own family members conspiring to track him down and kill him, he looked to his God for the help that he needed.

I don't think any of us are really much different than David. We go in and out of our moods. There are hard days and then there are good days, but by the power of the Holy Spirit He always seems to enable us back to thanking Him for His abundant provision of love and care. We as believers have so much to be thankful for. We may be moved by our circumstances and the things going on in the world, but he is our Solid Rock, our unchanging God! May God bless your thanksgiving with more of Him.
