*"The Lord is for me among those who help me"*

## When God Calls

When God calls someone to do a certain work of ministry He not only provides the means to do the job, but He also provides people to help move the work forward. He tells a person to do a certain ministry and then brings people alongside to help fulfill it. That is because no ministry can go forward without the rest of the Body of Christ coming alongside to help.

This has been the case with the way the Lord has moved Linda and I along our ministry path. It's been 15 years since the Lord tapped me on the shoulder and said, "Barry I no longer want you to be a keeper of the aquarium (a senior pastor), I want you to be a fisher of men." That was just the start of what He had in mind for us as we earnestly desired to know His will for our lives and ministry.

We have been blessed with three weekly ministry teams during the year and a once a year summer pier-to-pier tour up and down the California Coast. Working alongside Open Air Campaigners has been a real opportunity to watch the Lord do great and mighty things through our weekend pier outreaches. Russ Hodder, Frank Baldus and several others come together and toffer "A Free Hot Dog and A Prayer" with Jimmie Pittman, Paul Dever, Paul and Carmon Garcia, Michael Lee and several other brothers and sisters who come out to support us. And behind the scenes Michael O'Hare puts our monthly newsletter together and Scott Sell prints them up to send out to our supporters.

If not for these dear people I have mentioned and several more, I could never fulfill the ministry God has called me to. The Lord is truly for me among those who help me. This is not to mention the many people who support us through their love gifts each and every month. The scripture says, "Unless the Lord builds the house, they labor in vain who build it..." Psalms 127:1. Surely the Lord has built this ministry to save souls and advance the kingdom of God. Thank you for being a part of this ministry through your prayers and financial support.

## **Shalom To You All** by Linda Felis

"A heart at peace gives life to the body" Proverbs 14:30. A good way to see if life and the cares of the world are troubling you, simply ask yourself "Is my heart troubled?" Stress is not from God, peace is from Him! Jesus would have not used the actual word peace. He would have used the word shalom, which is a beautiful rich word full of wonderful meanings.

When Jesus said "shalom (peace) I leave with you" the Hebrew lexicon describes shalom as completeness, safety, soundness in body, health and welfare, peace, quiet, tranquility, contentment, peace in human relationships, peace with God and peace from war; what a powerful loaded word. Through the covenant He made at the cross, His peace is your peace! Think about the full implications of what it means to experience Jesus' shalom in your life. Imagine your life free from regrets, worries and anxieties! Let us thank Him for this precious wonderful gift we all need 24/7, and let us begin enjoying peace in all areas of our life this month! May the grace of God begin and end your day today!

"Peace I leave with you, My peace I give to you; not as the world gives do I give to you. Let not your heart be troubled, neither let it be afraid" John 14:27.
