## *Serving The Lord in unity*

Last June we had the privilege to receive the missionary team from Calvary Chapel La Habra. Once again it was a blessing to work alongside with such a team that they're whole purpose is to serve the Lord and nothing else. We went to Chorrerita the first day. There we had a beautiful time of fellowship with the community; they were happy to see some of the same faces they saw last time. The love shown, the word taught, the worship given to the Lord, and His presence made this time a very special one and hard to be forgotten. And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!  
Romans 10:15

## A day well spent in El Cope!!!

The youth of Penonome also had a wonderful day at the house where the team stayed at. The house is excellent for a retreat and we thought it was a great opportunity to spend it in fellowship and in the word of God. We left early in the morning, the team received us with a very lovely welcoming and a tasteful breakfast, the youth, no doubt felt loved like never before. Immediately we moved on to study the word of God. We felt led by the Lord to study the first three chapters of Daniel and meditate on them; it was of great joy to see everyone engaged, interacting and absorbing the truths found in these scripture. Before lunch the guys went to the river to have some fun and then came for lunch and to continue our sessions feeding our souls with the words of The Book. At the end the day the fellowship was one of a kind, great dinner, time of sharing words of appreciation and a prayer thanking our Lord for His faithfulness. Indeed it was a day well spent and now we just leave the results to God our Father and our Lord Jesus; may He give the increase and to Him be the glory!
